DEPARTMENT OF COMMERCE**International Trade Administration****[A–560–826]****Monosodium Glutamate From the
Republic of Indonesia: Notice of
Initiation and Preliminary Results of
Changed Circumstances Review**

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request for a changed circumstances review (CCR), the U.S. Department of Commerce (Commerce) is initiating a CCR of the antidumping duty (AD) order on monosodium glutamate (MSG) from the Republic of Indonesia (Indonesia). We preliminarily determine that PT. Daesang Ingredients Indonesia (PT. Daesang) is the successor-in-interest to PT. Miwon Indonesia (PT. Miwon). Interested parties are invited to comment on these preliminary results. **DATES:** Applicable July 7, 2022.

FOR FURTHER INFORMATION CONTACT:

Gene H. Calvert, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3586.

SUPPLEMENTARY INFORMATION:**Background**

On November 26, 2014, Commerce published the AD order on MSG from Indonesia in the **Federal Register**.¹ In the most recent administrative review of the *Order* covering the period November 1, 2019, through October 31, 2020, PT. Miwon was assigned the cash deposit rate of 1.60 percent as a mandatory company respondent.²

On March 10, 2022, PT. Daesang requested that Commerce conduct an expedited CCR to find that PT. Daesang is the successor-in-interest to PT. Miwon due to a change in the company's name (*i.e.*, PT. Miwon to PT. Daesang).³ In its submission, PT. Daesang addressed the factors Commerce analyzes with respect to successor-in-interest determinations in the AD context and provided supporting documentation.⁴ Commerce received no comments from interested parties on PT. Daesang's CCR Request.

Scope of the Order

The merchandise covered by the *Order* is MSG from Indonesia. For a full description of the merchandise covered by the scope of the *Order*, see the Preliminary Decision Memorandum.⁵

Initiation of Changed Circumstances Review

Pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216, Commerce will

conduct a CCR upon receipt of a request from an interested party for a review of an AD order that shows changed circumstances sufficient to warrant a review of the order.⁶ The information submitted by PT. Daesang supporting its claim that PT. Daesang is the successor-in-interest to PT. Miwon demonstrates changed circumstances sufficient to initiate a review.⁷

The information submitted by PT. Daesang demonstrates that its request is based solely on a change in the name of the company from “PT. Miwon Indonesia” to “PT. Daesang Ingredients Indonesia,” effective November 2021.⁸ Moreover, the evidence submitted in support of PT. Daesang’s request demonstrates that PT. Daesang is otherwise the same business entity as PT. Miwon. Therefore, in accordance with the regulation referenced above, Commerce is initiating a CCR to determine whether PT. Daesang is the successor-in-interest to PT. Miwon.

Preliminary Results of the Changed Circumstances Review

When Commerce concludes that expedited action is warranted, it may publish the notice of initiation and preliminary results of a CCR concurrently.⁹ Commerce has combined the notice of initiation and preliminary results in successor-in-interest cases when sufficient documentation has been provided supporting the request to make a preliminary determination.¹⁰ In this instance, because we have information on the record to support the request for a preliminary determination and no other interested party submitted comments, we find that expedited action is warranted, and we are combining the notice of initiation and the notice of preliminary results of review, in accordance with 19 CFR 351.221(c)(3)(ii).

In a CCR, Commerce generally consider a company to be the successor to another company for AD cash deposit purposes if the operations of the successor are not materially dissimilar

from those of its predecessor.¹¹ In making this determination, Commerce examines a number of factors including, but not limited to, changes in: (1) management; (2) production facilities; (3) suppliers; and (4) customer base.¹² While no single factor or combination of factors is dispositive, Commerce will generally consider one company to be the successor to another if its resulting operations are essentially the same as that of its predecessor.¹³ Thus, if the evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the prior company, Commerce will assign the new company the cash deposit rate of its predecessor.¹⁴

In its CCR request, PT. Daesang provided evidence demonstrating that its operations are not materially dissimilar from those of PT. Miwon. Based on the record, we preliminarily determine that PT. Daesang is the successor-in-interest to PT. Miwon. For a complete discussion of the information that PT. Daesang provided, including business proprietary information and the complete successor-in-interest analysis, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Determination Memorandum is included as the appendix to this notice. The Preliminary Determination Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Public Comment

Any interested party may request a hearing within 14 days of publication of this notice, in accordance with 19 CFR 351.310(c).¹⁵ Interested parties may submit case briefs no later than 14 days

after the date of publication of this notice.¹⁶ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the deadline for case briefs, in accordance with 19 CFR 351.309(d). Parties who submit case or rebuttal briefs in this CCR are requested to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁷ All comments are to be filed electronically using ACCESS, and must be served on interested parties. An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the day it is due.¹⁸ Please note that Commerce has temporarily modified certain requirements for serving documents containing business proprietary information, until further notice.¹⁹

Consistent with 19 CFR 351.216(e), we will issue the final results of this CCR no later than 270 days after the date on which this review was initiated, or within 45 days of publication of these preliminary results in the **Federal Register** if all parties agree to this preliminary finding.

Notification to Interested Parties

We are issuing and publishing this initiation and preliminary results notice in accordance with sections 751(b)(1) and 777(i) of the Act, 19 CFR 351.216, and 19 CFR 351.221(c)(3).
